3. COMMANDERY OF THE WEST INDIES HOSPITALLER REPORT 2019

Status of the Commandery 2017-2018: Good to Excellent

Our invested members in good standing for 2018 stands at 23. This is better than the year before but not quite as good as it could be. The **Purpose** of this organization is the solicitation and provision of funds for organizations that provide services to the sick and the needy. As part of an age old tradition, each year we raise between \$20 to 30,000 in funds that are donated directly to designated charities ranging from Herbert Grigg Nursing home, Queen Louise Orphanage, My Brother's Workshop, and most recently Lutheran Services and Catholic Charities. In the wake of the devastation of two hurricanes and newly acquired needs of our entire community, every contribution has lifesaving consequences. For those members faithful and reliable to the cause, I commend you for your hard work, your contributions and your loyalty to the Order. For those inactive members, your reconsideration and rejoining the Commandery would be greatly appreciated by many.

The Order of St John, c/o Virginia Angus, P.O. Box 3015, Christiansted, USVI, 00822

Successes: 1) Communications have been excellent with regular monthly conference call meetings of the Board of Directors, with frequent participation of committee members and active participants. A huge wave of appreciation goes out to those who stepped up, carried the message, enabled the organization and made possible the dispensation of funds to the proper recipients, especially after the waves of natural disasters.

2) The Commandery of the West Indies hosted the Investiture for America's Priory, on May 4 & 5th, 2018 at the British Colonial Hilton, Nassau, Bahamas. Three new members were invested. **Fundraiser for the Bahamas Feeding Network center raised \$10,000.**

3) The organization is financially up to date as a 503C non profit registered with the VI Government.

4) Fundraisers: On St Croix, April 3rd, 2017, at the Buccaneer Hotel, the Order raised \$33,435 for distribution to My Brother's Workshop, a non profit for disadvantaged men. On November 17th, 2017, \$7000, and on December 28th, \$6000 were disbursed to Catholic Charities of the Virgin Islands; and on December 17th, \$6000 to Lutheran Services all for post hurricane restoration.

The total amount raised and disbursed for 2017: \$52,000.

The St Thomas Fundraiser, originally slated for October 2017 was rescheduled and held on November 9th, 2018. Funds of \$12,000 were raised and dispensed to Lutheran Social Services and Catholic Charities of the Virgin Islands and an additional **\$10,000** in donations were designated as assistance **to victims of Hurricanes Irma and Maria.**

Total amount for 2018: \$22,000.

5) Fundraisers are scheduled for 2019 in ST Thomas with suggested funding of a transport bus for services to the indigent, and for St Croix at the Brass Parrot, with

target charity to be announced. Attendance at the fundraisers has been good to excellent, depending on conflicts in scheduling and competition from other events.

6) We may be small in number but big at heart. We accomplish more than seems possible because the active members who sincerely care about their mission are eager and willing to show it. Like and perhaps better than CNN Heroes, our members accomplish great feats in the presence of huge barriers. Monthly conference calls have been ongoing with excellent participation of the Board of Directors and occasional involvement of the membership. We shall continue to communicate, organize and move toward the accomplishment of our goals.

Respectfully submitted,

Alfred L. Anduze, MD, CGSJ
Commander, Order of St John,
